

# HCS-250

## Hidalco 250A DC Current Source

### **Specification:**

**Input Voltage : 220V AC 50Hz.**

**Output Voltage : 8V RMS Max.**

**Output Current : 250A Max.**

**Output Current Accuracy +/- 1%**

**Settable digital timer for setting test time (the output is deactivated after time is elapsed)**

**Dimensions: 50cm x 30cm x 21cm**

**Weight : 24 kg. approx.**
